INTRODUCES

Baltimore Life's Mobile Product Site Secure Solutions® MobileLink™

Mobile Access to Rates and Information

Baltimore Life now brings Silver Guard to mobile users.

Secure Solutions MobileLink is a mobile web page that provides you with product details, rate and cash value calculations, underwriting guidelines and more, right at your fingertips.

MobileLink works on most mobile devices with no installation required.

Visit mobile.baltlife.com for rates, underwriting information, and the rate calculator for Silver Guard I, II, and III.

MobileLink provides easy one-click access to "Product Info", "Rate Calculator" and "UW Guide," along with instructions to create a bookmark on your mobile device.
