- Trim 10-14 days after client signature to speed processing and sell 25 percent more
- Improve the consumer experience

How do I register for a username and password?

Registering for a username and password is simple. All you have to do is fill in some basic information about yourself and answer a few security questions. As soon as you submit your form, an e-mail is automatically sent to you with your username and a hyperlink for you to set up your password.

How do I get trained to use iGO e-App?

All training materials, including videos, product collateral, a list of frequently asked questions, and iPipeline's iGO e-App Support phone number and e-mail address can be found at: <http://training.ipipeline.com/>

In addition, trainings are held via WebEx and Teleconference every Tuesday and Thursday from 3:00 to 4:00 p.m. ET. To register, go to: <http://www.ipipeline.com/contact/igoRequest.php>

How do I access iGO e-App?

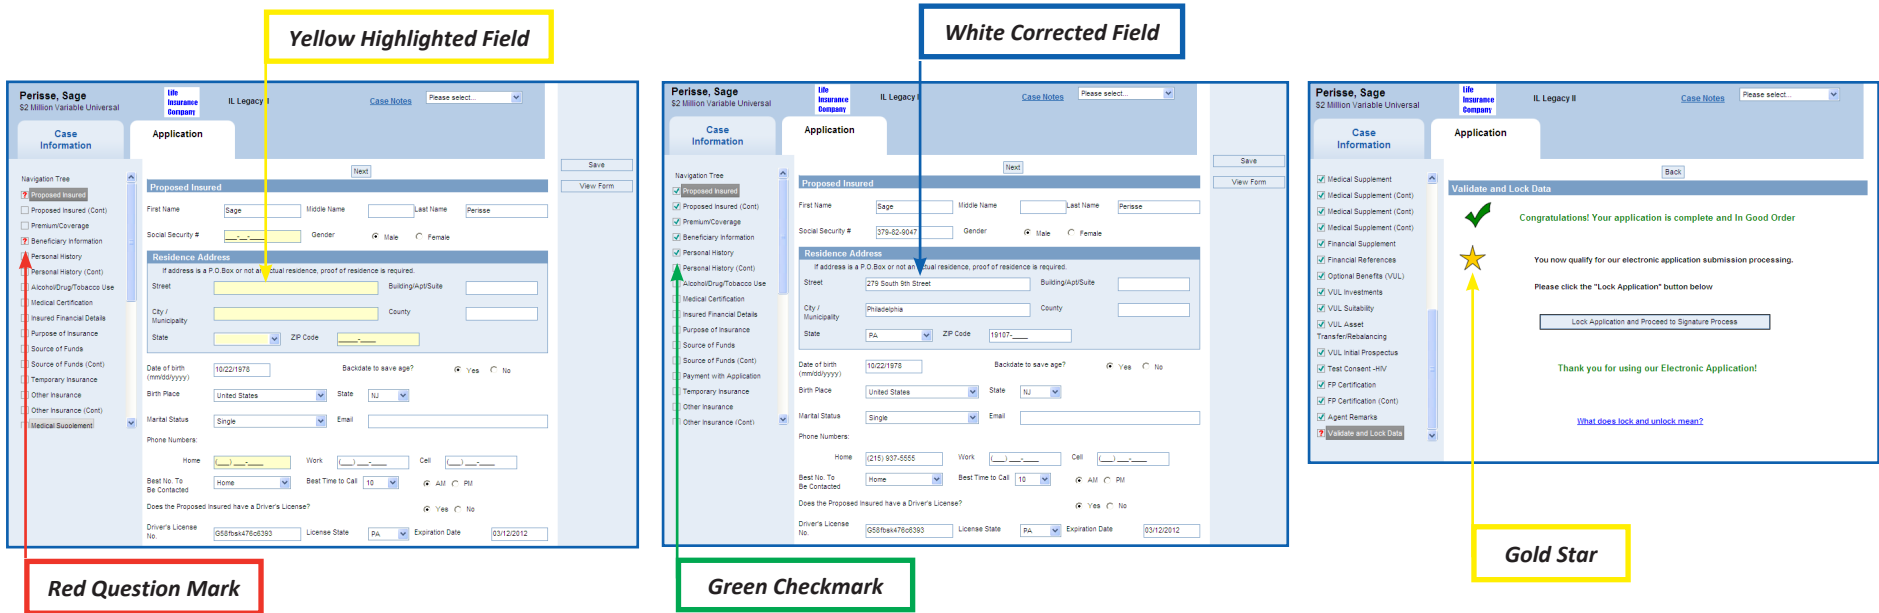

There are three ways to access the iGO e-App.

- On your distributor Web site, you will see an iGO e-App banner. This will allow you to view a demo, login or register for a username and password.
- At the forms engine, you will notice another access point.
- Our term quote engine now integrates with the iGO e-App. An additional feature you will see in the quote engine's profile page is the ability to customize your view to run quotes for iGO e-App carriers only. By viewing the results page, you will notice the green iGO e-App button. Selecting the button, your client's information will be pulled from the quote engine and populated throughout the carrier application of your choice.
